Asia-Pacific Structured Finance Association

Connecting Structured Finance Professionals Across Asia-Pacific

WHO WE ARE?

Founded in 2006 and based in Hong Kong, The Asia-Pacific Structured Finance Association Limited (APSA) is the region's premier industry association for the structured finance and securitisation sector. APSA brings together a wide array of market participants—including regulators, investors, originators, banks, trustees, rating agencies, accountants, lawyers, academics, and students—from across the Asia-Pacific region.

MISSION & OBJECTIVES

- **Promote Growth**
  Support the efficient growth and development of the structured finance industry in Asia-Pacific.
- **Advocacy & Regulatory Engagement**
  Build consensus and coordinate advocacy on legislative, regulatory, legal, accounting, tax, and policy issues impacting the industry.
- **Regional Integration**
  Develop links with Mainland China and other regional finance markets and collaborate with key industry partners.
- **Market Standardisation**
  Recommend and promote best practices, standardisation, and documentation to enhance market efficiency.
- **Communication & Networking**
  Serve as a central platform for education, promotion,networking, and communication among stakeholders.
